

Santa's Assistant

It's Christmas Eve. Santa and Rudolf are getting ready for Christmas. Santa puts on his red jacket and his red hat.

There are lots of presents in Santa's sleigh for children around the world. Now they are off!

Amy is asleep at home. Santa climbs down the chimney with Amy's present.

But, oh dear... he is too fat. He can't move!

Amy helps Santa get out of the chimney. 'Thank you, Amy. Can you help me deliver the present?' asks Santa. 'Yes, Santa. Let's go,'

says Amy.

Amy goes down the chimneys and puts the presents under the trees.

The sleigh flies back to the North Pole for more presents. Santa's toy factory is very busy. There are robots, dolls, balls and teddies.
